On a EG/BM motion the meeting was adjourned at 9:20 P.M.

\*Miscellaneous:

Manager reported that the stone has started being delivered to the BLVD from NESL. This will fulfill the agreement with PennDOT where WTS was supposed to get all of the millings from the State Roads Contract. North Welty is supposed to still be paved this season and temporary lights are in place until the new ones are installed.

  
 Jeffrey B. Geesaman  
 Township Manager
