Returned to Regular session at 8:48 PM on a CR/EG motion, 5-0

On a CR/EG motion the meeting was adjourned at 8:48 PM

*Miscellaneous: Manager reported that Mr. Shank has contacted Representative Schemel to see if there was any State assistance available to replace the pipe at the mill race. Recommended we start to take Electronics on Friday and Saturdays only starting on October 5th and charge \$0.50 per pound with a \$15.00 minimum. (Will take this item to the meeting) Mrs. Johnston on Charmain Road is thinking about having us install an open swale instead of a pipe.

Supervisor Gladhill asked about the complaint from Mrs. McClain on Pennersville Road. The manger reported that he spoke with Mrs. McClain and explained to her that none of here water issues were the Township's issues. Mrs. McClain said she understood and she contacted an attorney to address the issues with her neighbor. She also filled out a nuisance complaint about here neighbor for "trash" in their yard. Vern is investigating.
