### To Preserve

The Friends of the Monterey Pass Battlefield, Inc. is a not-for-profit, tax-exempt 501c3 organization in the process of raising funds to preserve, protect, and enhance the Monterey Pass Battlefield near Blue Ridge Summit, Pennsylvania. The Battle of Monterey Pass is the second largest battle that occurred in Pennsylvania and was the only battle fought on both sides of the Mason and Dixon Line. Your membership or contribution will assist in preserving this irreplaceable battlefield. Monterey Pass was a direct route to the Potomac River, and it was used by the bulk of the Confederate Army during its retreat from Gettysburg. By preserving the battlefield you are assisting in preserving not only its history, but the natural resources, educational and recreational uses, and local tourism as well.

### To Interpret

The Monterey Pass Battlefield needs your help. Additional funding is needed to restore the one acre of battlefield land that is currently preserved, develop an interpretive center, and purchase additional battlefield lands. On July 4th through July 5th, 1863, over 7,000 soldiers fought in this midnight battle where Union General Judson Kilpatrick took over 1,500 prisoners and destroyed 9 miles of Confederate supply wagons. By establishing the interpretive center we can interpret Lee's invasion of Pennsylvania, the Battle of Monterey Pass, and Lee's withdrawal from Pennsylvania, telling the story of both the invaders and the defenders.
