

TAX NOTICE

Notice is hereby given of the duty of all residents of Waynesboro, Washington Township, Quincy Township, Mont Alto and Guilford Township, Fifth District, who have or have not had their wage tax deducted by the employers or who are employed in other states, to pay 2007 earned income (1% of gross earnings) to the local tax collector, **Delmos E. Oldham Sr., 20 E. Main St., P.O. Box 29, Waynesboro, PA 17268**, on or before April 15, 2008.

A copy of the appropriate federal or state W-2 forms or schedules **MUST** accompany each return filed with the tax office.

If there are no wages shown in the local wage box on your W-2 or if the wages shown in the local wage box are lower than the wages shown in the federal, social security, or state wage boxes, the highest amount will be used for local wages unless the W-2, or information you provide, explains the difference as not being taxable for local purposes.

Failure to pay as required by law involves a penalty of 1/2 of 1% for each month plus interest at the rate of six (6%) percent annum, and permits the local tax collector to enforce collection through employers in the area or by action at law.

NOTICE: Changes to regulation IX (e)

The failure of any person to file a return when due shall result in the imposition of a late filing fee of \$10.00.

This change is effective January 1, 2000.
