#2 From Trail Head to Overlook Trail, Up Overlook Trail to second Scout Trail sign, then over Scout Trail to Overlook Trail, & back to Trail Head. 2,172' or 1/2 mile.

#3 From Trail Head on Fox Crossing Trail to end where it connects with Deer Trail. Back up Deer Trail to Trail Head. 7,941' 1 1/2 miles.

Handicapped Access to Trails

The trails have been constructed to be as accessible as possible to wheelchair users as well as other physically impaired individuals. In accordance with ADA proposed accessibility guidelines for outdoor developed areas, a balance has been made between keeping trails natural and making them accessible.

It is recommended that wheelchair users have another person with them on the trails.

Walks #1 and #2 have few locations where grade is slightly over 12:1 and are very nice, relaxing trail walks.
